EXUMA ITINERARY - 7 DAY

THE ISLANDS OF THE

BAHAMAS

DAY 1

ARRIVE NASSAU

Arrive at Atlantis Paradise Island, where the kids can ride waterslides and the adults can spend a few hours in the casino, before stepping aboard your charter yacht in the adjacent marina. Head for a quiet nearby cove and enjoy a relaxing gourmet dinner aboard in total tranquillity. Enjoy post-dinner cocktails freshly prepared by the crew as you take in island views from the decks of your yacht

DAY 2

NORMAN CAY

Early morning Departure for a 2 hour sunrise cruise to the famous Norman Cay. Rich in history as it was once run by notorious Columbian drug lord Pablo Escobar. A great spot for some water sports and to snorkel a sunken drug running Airplane. Lunch onboard prepared by the amazing Chef, then it's time to relax. Kick back and enjoy being onboard.

DAY 3

SHROUD CAY

The start of the Exuma Land and Sea Park is Shroud cay and awesome spot to spend the day anchored in some if the bluest waters in the world.

Falling tide jump on the tender to the river mouth then board a Kayak or Stand Up Paddle board for a float down the natural lazy river. Observing juvenile turtles and sharks swimming amongst the Mangroves.

Sunset cocktails on the sundeck followed by and amazing dinner prepared by the chef.

DAY 3 & 4

CAMBRIDGE CAY

An early morning departure from Norman Cay puts us arriving in Cambridge Cay just before breakfast.

Cambridge Cay an absolute hidden jewel in the Exumas it's a beautiful channel between two island with some of the most breath taking water colors in the Exumas.

Here we can day trip to Compass cay to swim with the Nurse Sharks and Snorkel the natural Aquarium.

DAY 4

WARDERICK WELLS

The headquarters of the Exuma Land and Sea Park.

Here we will do some great exploring in the tender which will include a Shark dive at Danger Cay and at low tide cocktails on a magnificent surfacing sandbar.

DAY 5

BIG MAJOR/ STANIEL CAY

Last early morning departure for Big Major Cay home to the Famous Bahamian Swimming pigs.

After breakfast let's make the most of the day jump in the tender and head straight to the beach to feed the Swimming Pigs! Once the pigs are full back in the tender and move around to the famous Thunderball Grotto named after the 1965 James bond film where much of the underwater scenes were filmed. More recently into the blue with

Jessica Alba and Paul Walker filmed some of the scenes here. A great snorkel and for the brave you can jump through the roof which is over a 40' drop!!

DAY 6

MUSHA CAY

A short cruise from Staniel Cay gets us to the furthest south we will head on the trip Musha Cay, David Copperfeilds famous private island. Here we can at low tide we can walk the famous mile long surfacing sand bar and swim with the underwater statue of a mermaid playing the piano.

There's also have a great secret spot where if timed right we can swim with local Bahamian green turtles.

DAY 7

BIG MAJOR/ STANIEL CAY

Last early morning departure for Big Major Cay.

After breakfast let's make the most of the final day jump in the tender and head straight to the beach for a walk along the beautiful Sandy Cay Beach.

Followed by a nice relaxing swim at Twin Cays. Then back to Nassau to prepare for departure via seaplane at noon.
